

BBC LONG LUNCH SPONSORSHIP PROPOSAL

The BBC Long Lunch, which is hosted by the Old Collegians' Association (OCA), is a premier event for the wider Brisbane Boy's College Community. This luncheon gives past students as well as future, current and past parents the opportunity to network with each other. Our Lunch Event Sponsors are extremely important to BBC and the OCA, as they enable us to ensure we can provide the highest level of event possible, attracting high profile dignitaries, business leaders and other distinguished guests.

Sponsorship of the BBC Long Lunch will allow your business to be recognised as a key partner of BBC and the OCA which will also maximise your company's exposure to our community. All profits made from the long lunch will assist to fund the Old Collegian's Bursary. This vital OCA initiated bursary, provides an opportunity for a deserving son or grandson of an Old Boy to attend BBC and experience all of its educational and co-curricular offerings. Find out more about the Old Collegians' Bursary [here](#).

Brisbane Boys' College and the Old Collegians' Association would like to welcome you to join us for this annual premier event.
