

BRISBANE BOYS' COLLEGE OLD COLLEGIANS' ASSOCIATION

We're looking for passionate BBC Old Collegians to join our committee and help us shape the future of our Association in 2024!

NOW IS A GREAT TIME TO GET INVOLVED!

As a BBC Old Collegian, you're part of a legacy that has lasted over 120 years. We are so lucky to be part of a vibrant and storied tradition within an active and supportive community.

The OCA is a community-focused Association that allows our Old Collegians to maintain a link to old friends, network with over 7,000 other members and give back to the school community. The OCA is led by an elected committee of 10 representatives who shape the strategic direction of the Association.

The Association is looking forward to the exciting schedule of events and initiatives we have lined up for 2024. Our Annual General Meeting will be held on Tuesday, 6 February 2024, where we will elect the members of the Executive Committee. We invite you to play a role in the future of our strong and proud Association by putting forward your nomination.
